Scholastic Book Committee

Scholastic Book Committee is responsible for the distribution of book catalogs and collection of orders from parents of the preschool throughout the year. The Committee co-chairs are responsible for arranging committee meeting times, attending the meetings, placing orders online, ordering books for the teachers, and reconciling the orders when they come in.

The committee members will also help planning and staff two schoolwide Book Swap/Donation weeks, collecting and distributing catalogs.

Fundraising Committee

The Fundraising Committee is responsible for organizing and executing fundraisers for the Preschool throughout the year. We support the Eleanor Mason Memorial Scholarship Fund with our Textile Drive in March 2024. Winter & Spring: 1 or 2 options. This committee supports the preschool to be able to purchase needed items for classroom and raise money for future upgrades to the playground. To keep tuition costs down, preschool fundraisers are important to supporting the quality of our ministry.

Campus Events

ITBP and Faith Church Children Youth and Family ministry are joining forces to support two community events to celebrate the season and bring both ministries and our neighbors together in a family friendly safe environment. We are asking for Preschool family volunteers who can help with set-up, workstations, clean-up, along with the preschool staff and Faith Church parishioners, to help these events run smoothly. This is a fantastic way to show your support for your preschool and community!

Sign-Ups will be from the director of the Children Youth & Family Ministry by email from, Abby Kleinknecht Morse. Or you can email her at Abby@Faithunited.org.
